

IS YOUR PLAYGROUND WELL MAINTAINED?

Do you want to minimise the risk of accidents in your playground?

At Play Services Ireland, we repair and maintain all play equipment regardless of origin or manufacturer.

Play Services Ireland can help...

- ✓ Ensure your playground equipment and surfacing is maintained to comply with the European Standards for Playgrounds EN 1176
- ✓ Extend the life of play equipment and safety surfacing
- ✓ Decrease the number of accidents and injuries and the possibility of compensation claims from service users
- ✓ Create a safer, cleaner and more enjoyable play experience
- ✓ Decrease waiting time for new parts
- ✓ Free up your staff to concentrate on other areas of work

Our service extends beyond inspection and into maintenance. We can provide an onsite service to perform essential maintenance such as replacing fixings, seats and shackles.
